7th Grade "B" Ball — A 9-3 Season

The team enjoyed a highly successful season, finishing the year with nine victories and only three losses. Two of the three losses came at the hands of a very fine Essexville team. The third loss occurred in tournaments to Breckenridge who finished the season undefeated. The loss to Breckenridge was in overtime. Breckenridge went on to win the Shepherd tournament.

This group of athletes is a highly co-operative group and one of the most coachable to come along in a while. I wish this group of boys much success in the future.

Freeland's Mat Men Pin Another Season

As a team we were hurt badly by the lack of participation by many young men in the school. Because of the lack of numbers we were forced to give up from 18 to 26 pounds a match.

As individuals the young men we had were outstanding and some of the finest athletes I have had the opportunity to work with.

Dave Dill - "The Winner"

Marcia,
Your such
a nice person. I like
you very much. I just
wish I would have got you
and Deana together. He's so cute. I
now wish I was you. Sometimes I
think Deana would go with me if you
knock up. He's so funny.
he really is. I ask you over alot this summer
to go swimming and pool around. We could sleep
in my camper. We will have so much fun. I hope
We are in the same room next year.
P.S. Well I have
fun with Deno.
